MISCELLANEOUS

- 9' ceilings
- Premises cleaned at completion
- All ducting to be cleaned upon completion
- All underground utilities are fully paid for by the developer, except if modified by the Purchaser
- Due to City or Hydro service locations, the driveway location is pre-determined
- The specifications in this Schedule are the specifications to which the home will be constructed. No specifications of any model home viewed by the Purchaser that differ from the specifications in this Schedule will be included in the construction of the home unless specifically agreed to in writing by the Vendor

All plans and specifications are subject to reasonable modification, as necessary, at the discretion of the Vendor.

NOTICE TO PURCHASERS: Due to increasing construction cost, the Vendor commits orders to its suppliers on the date of the Offer to Purchase. Therefore, in some cases the Vendor cannot alter, change or add to the specifications, details or field notes. In order for any change to be implemented, all requests, after the offer becomes firm, must be in writing and accepted by the Vendor.

* In accordance with standard building practice and the TARION rules, the Vendor warrants to make any necessary drywall repairs (due to nail pops and drywall cracks caused by settling) at the one year anniversary of closing subject to scheduling of work. The priming and painting of these repairs will be the full responsibility of the Purchaser, regardless of whether the Builder/Vendor or Purchaser painted the house initially.

Block 17 – Jan 11, 2021
